**Subject: Pal Electronics LTD – EU GDPR compliance**

Pal electronics contracted our company as an EU-GDPR consultant.

During our mutual work, in order for Pal Electronics LTD to comply with the EU-GDPR requirements, several actions were taken, among them:

1. Relevant procedures and policies were written and implemented:  
privacy policy, Personal data protection procedures, data breach notification procedure, Data subject access request procedure.
2. Personal data security controls were implemented.

Following those actions and according to our best professional knowledge, Pal electronics LTD complies with EU-GDPR requirements.

Comply with the EU-GDPR requirements is an ongoing process. This approval was given according to an audit that was conducted on March 7, 2021.

Best Regards
